*The 2015 and 2010 funds have been added to the glide path as of July 2019 as a result of the target date fund changes that are occurring during the third quarter of 2019. Members who are currently invested in the Retirement Fund but, based on their age, should be in one of the new funds – the 2010 and 2015 fund – will have their Retirement Fund balances moved into the appropriate fund. For the purpose of this comparison the 2018 allocation to the 2015 and 2010 funds are equal to the 2018 Retirement Fund.
