

More care options for traveling employees

Staying home is one of the best ways to protect your employees and others from COVID-19, but if your employees are planning a trip for work – or life – Kaiser Permanente has them covered. If something unexpected happens while an employee is traveling, it's easier than ever for them to get care.

Remote care from Kaiser Permanente

Members can:

- Schedule a phone or video visit
- Speak with a licensed care provider 24/7 for medical advice

MinuteClinic and Concentra

Members can visit a MinuteClinic (in select CVS and Target stores) or a Concentra urgent care center with or without an appointment. They'll pay their standard copay or coinsurance – no matter where they are.*

Any emergency or urgent care facility

Members can simply go to the nearest urgent care facility or hospital – anywhere in the world – and file a claim with us for reimbursement.

Travel support

• Away from Home Travel Line

Your employees can call **951-268-3900** from anywhere in the world to find out how to get care while traveling.

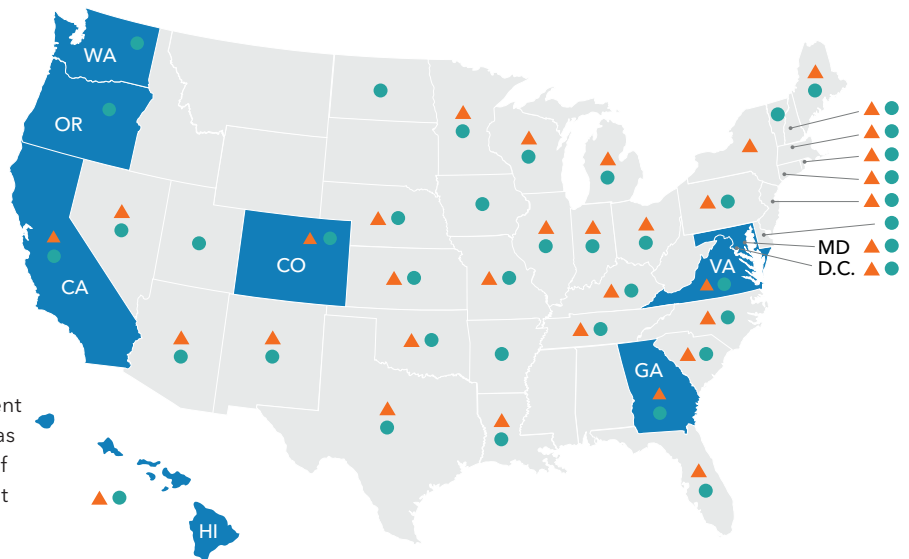

• kp.org/travel

Members can get answers to questions they may have before, during, or after they travel.
